Nintendo 64 N64 Prototype Nintendo 64 N64 Prototype Hercules 64 RARE Long Development Cart English Version of Hercules. This is a North American ntscc  
This is an extremely rare one of a kind Nintendo 64 development prototype cartridge

Item is in nice visual shape, I plug it into an N64 and Hercules plays excellent. my knowledge is limited on this

Incredible collectors piece for any true collector or for someone who knows how to extract the information from this.

The Hercules game that is on it works perfect and plays great but other games can be added you can even add ps1 games to this Cart and play on the n64 if you wa  
just shoot me a msg and what you see in the pics is what you will get it's actual pics not stock photos

Has this in auction and buyer didn't pay for it so putting it back on eBay don't bid on my items if your not going to pay for it
