Item specifics

Condition: **Good** :

Seller Notes: "Cartridge looks good. The stickers are in good shape."

Platform: Nintendo 64

Up for sale is NBA Hangtime for the Nintendo 64. This is a prototype cartridge. You may be wondering, "What does this mean?". It is a cartridge that likely contains a non-final version of the game or a version that was sent to reviewers. Unfortunately the details on the version of this game are lacking.

I did play the game for a bit and was and was able to get my butt kicked by the computer (lol, what's new). Everything functioned as I expected it to. I am unsure what differences there are between this and the final version of the game.

The game fit in my US N64 and worked great. I suspect the cart will fit in a Nintendo 64 from any region.

If there is anything else I can help with please contact me!
